

Osborne Canvas Pliers

Top quality robust Canvas Plier with wide jaw.
£40.00

Wide Blade Scraper 450mm

A long smooth edge for smoothing off or scraping. Can be used as a filler tool for eliminating canvas texture when using Lascaux modelling paste or Structura. Also useful as a masking tool.

£4.45

ACN Sanding/Finishing Paper

5m x 120mm White 240 grit
The best paper we have ever used for sanding painted surfaces. Essential for producing smooth surfaces in priming preparations or later in processes. It does not clog with acrylic paint, but cuts cleanly.

£3.75

Filling knife set

Set of 4: 50mm, 80mm, 100mm and 120mm
Good quality, German made spatulas. Flexible, hardened Steel blades. Useful for levelling, scraping or applying paint

£2.20

Paint Mixing Stick 32cm

Cheap plastic stick for efficient stirring and mixing of paints.

60p each

KleenEdge Masking Tape

Low Tack 25mm wide.

£3.50

Stirrer/Mixer for drill

60 x 400mm
Insert into chuck of variable speed drill or driver for easy and quick mixing of larger volumes. The action draws the mix from the bottom of the pot to limit air bubbles and the surprise bit of unmixed colour that was hiding at the bottom!

£3.50

Lily Varnish Brush 100mm

Hog bristle Brush particularly suited for priming and the application of heavier varnishes.
